W

hat was that sound?

Bells!

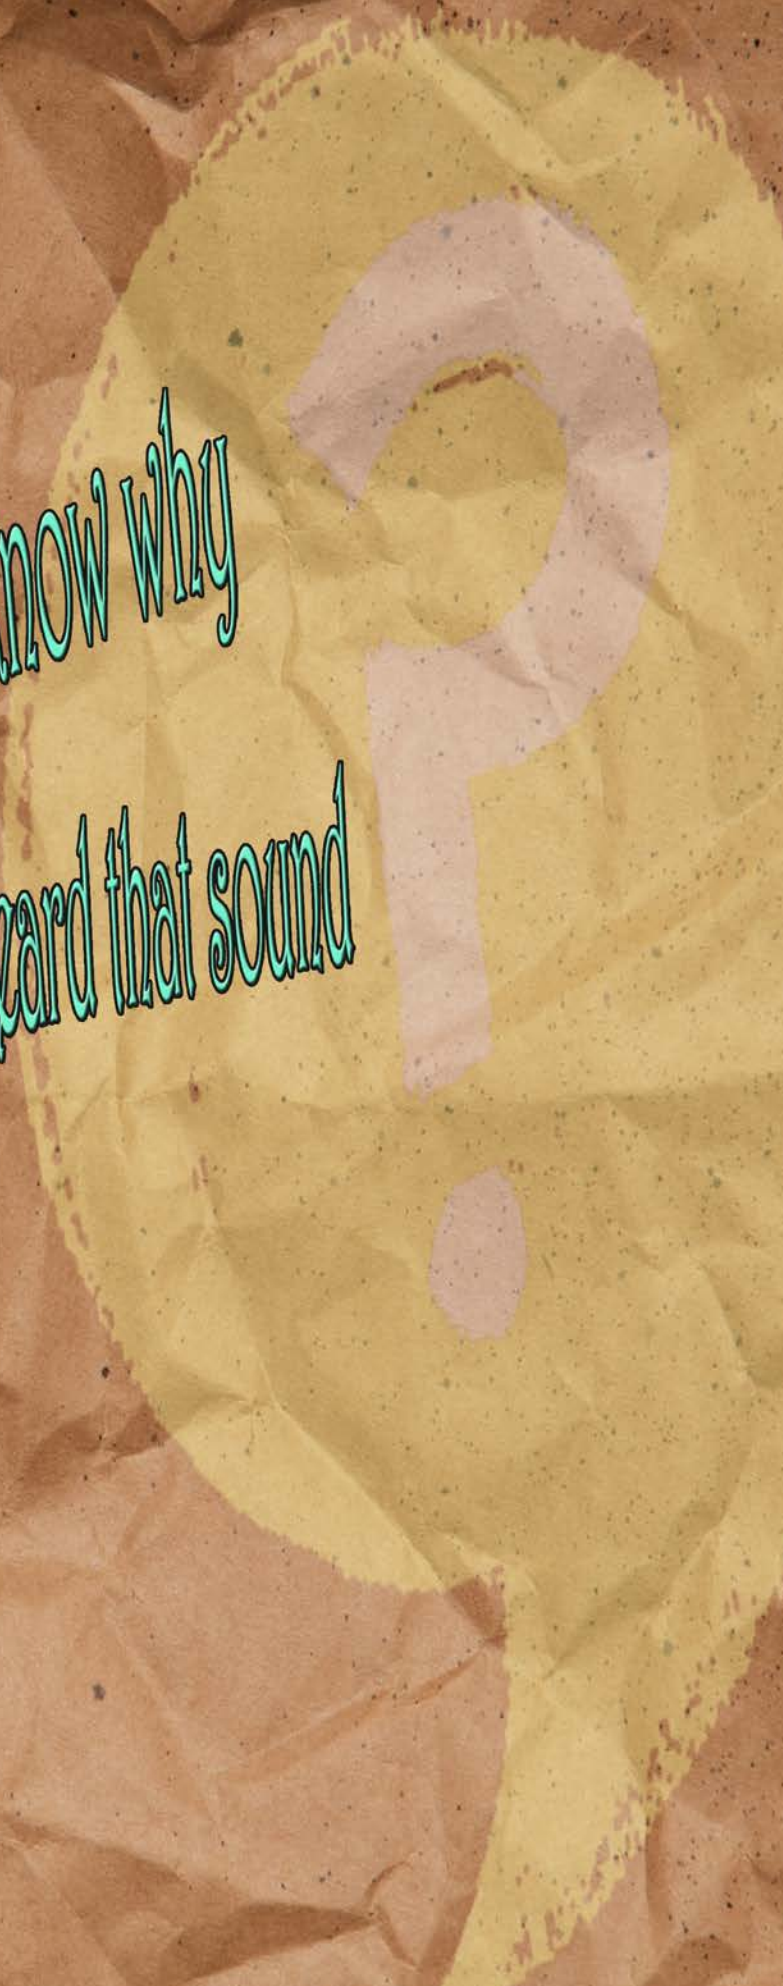

I could hear
jingling bells!

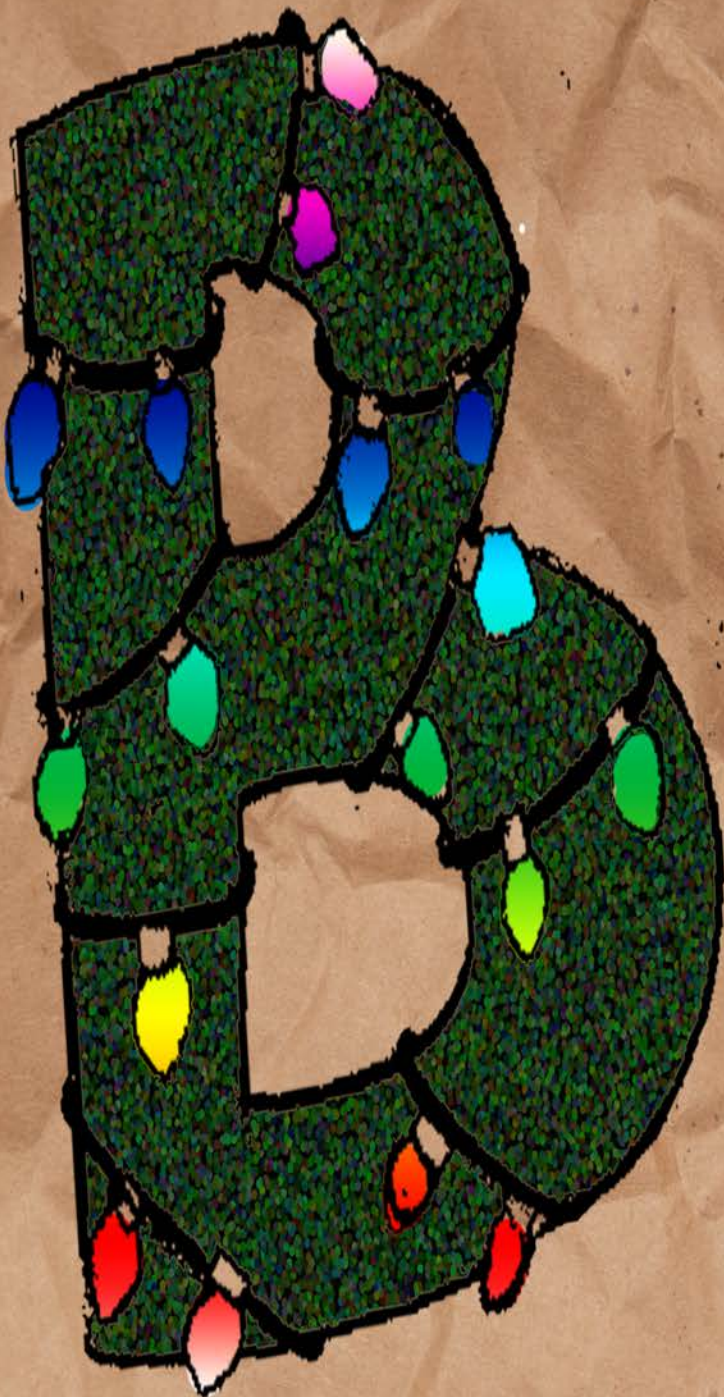

ou know why

I heard that sound

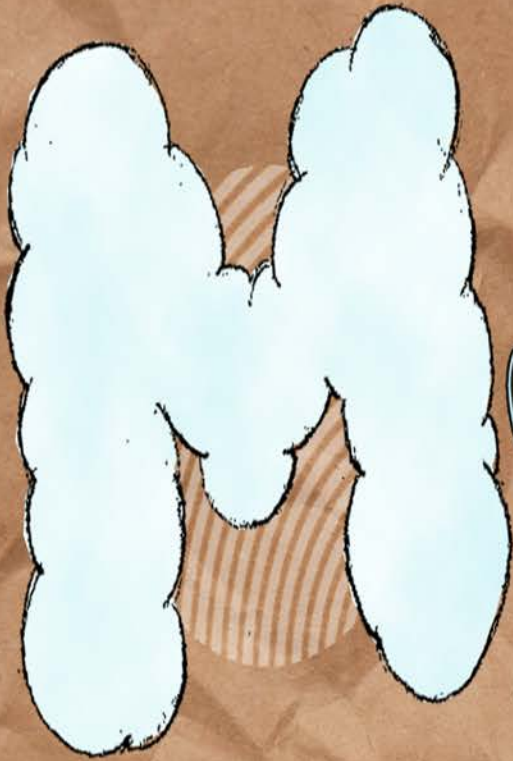

because...

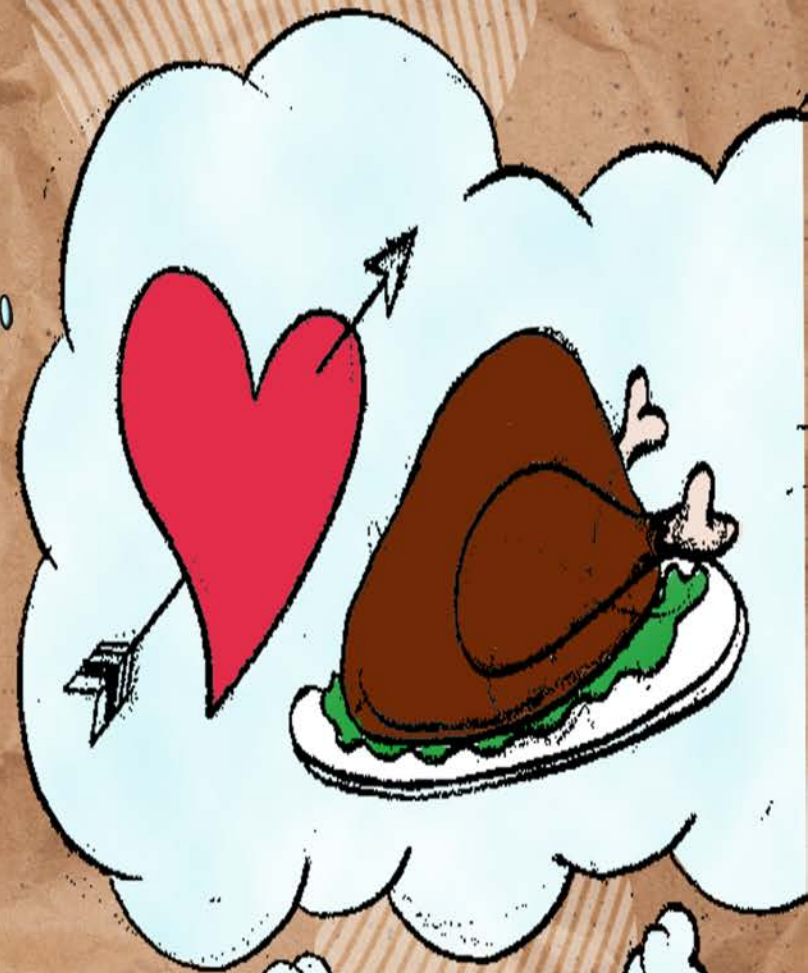

...it was Christmas Eve

most people

like Christmas Eve...

but some people
like other holidays.

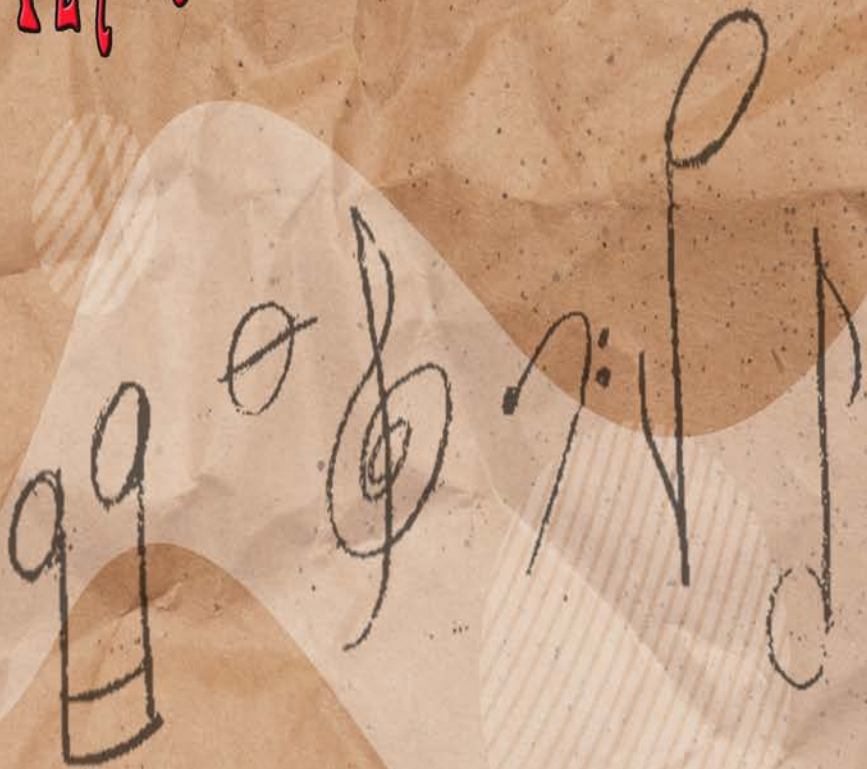

people like Christmas Eve
because they get presents.

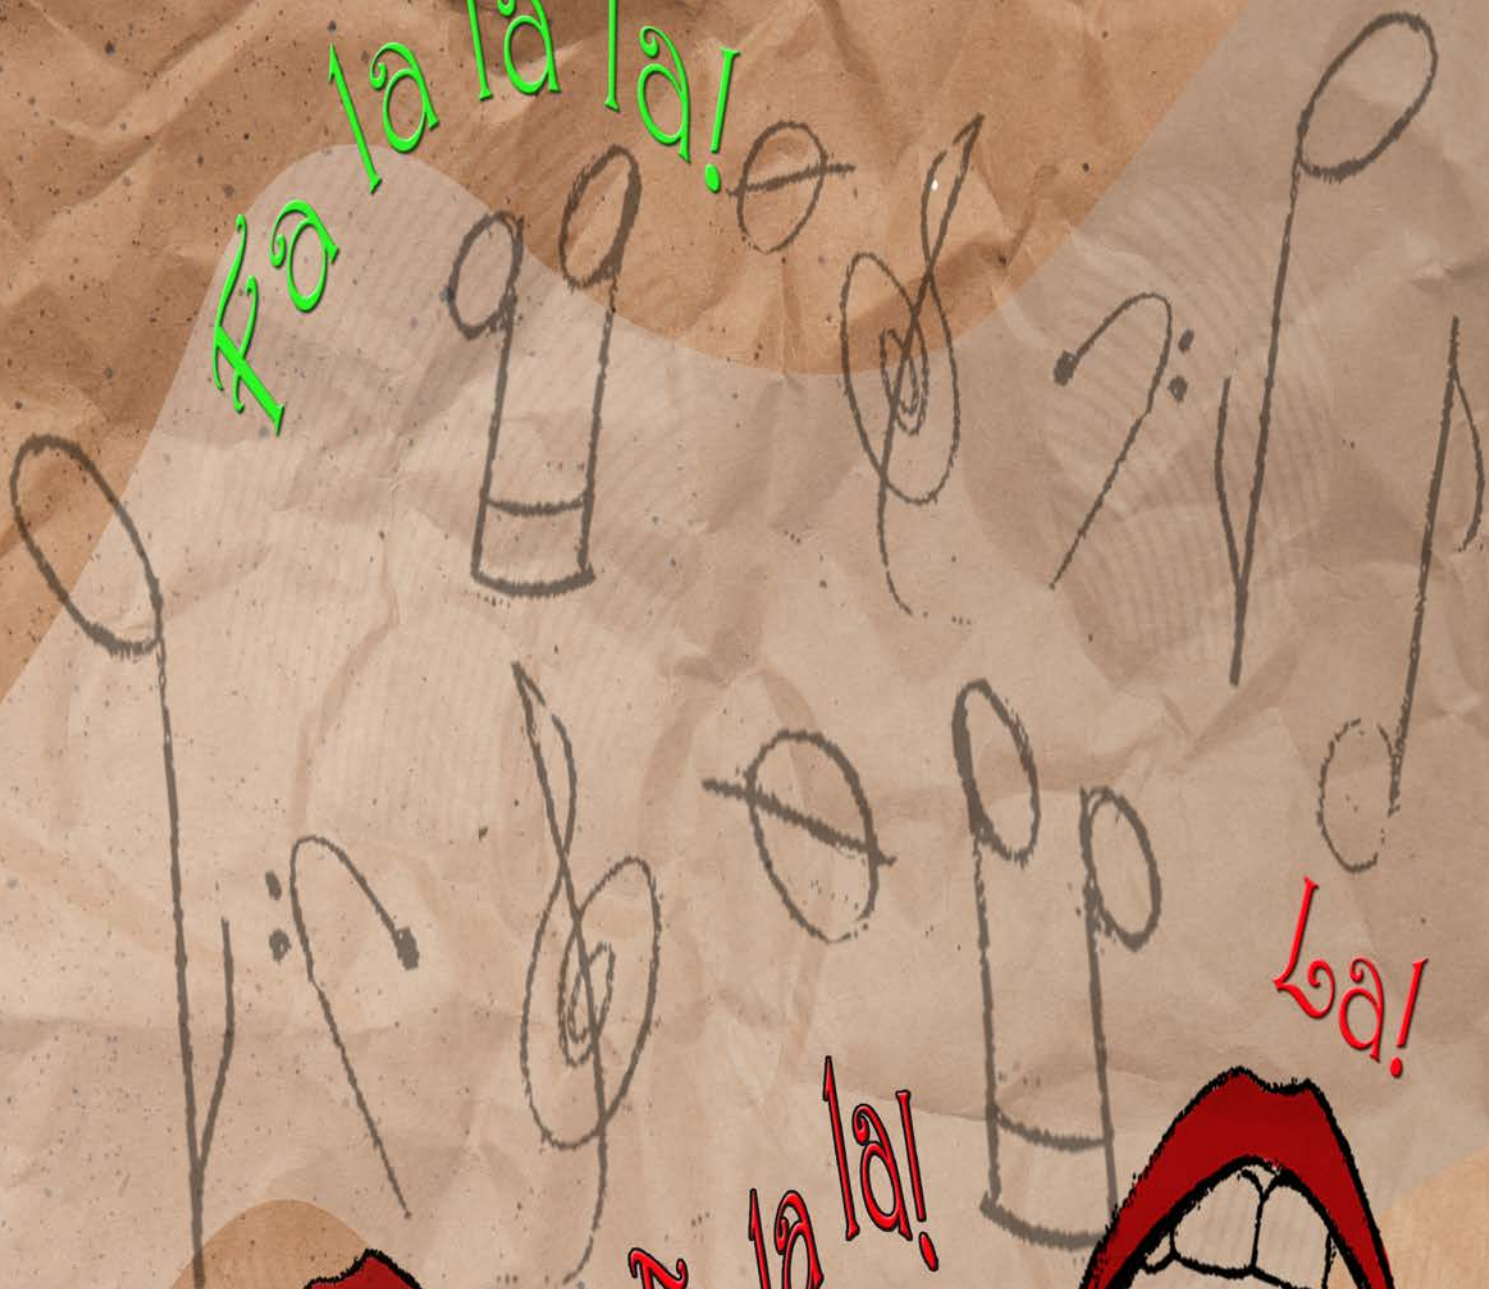

They sing!

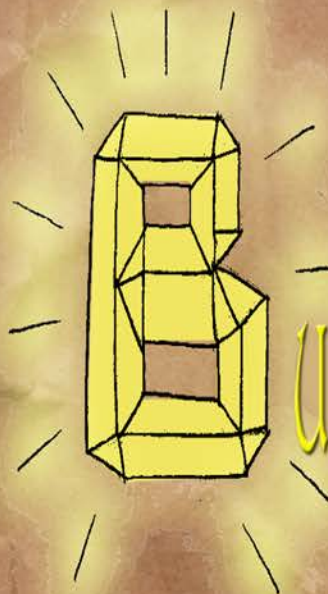

Fa la la la!

La!

Fa la la!

but even if

they don't get presents...

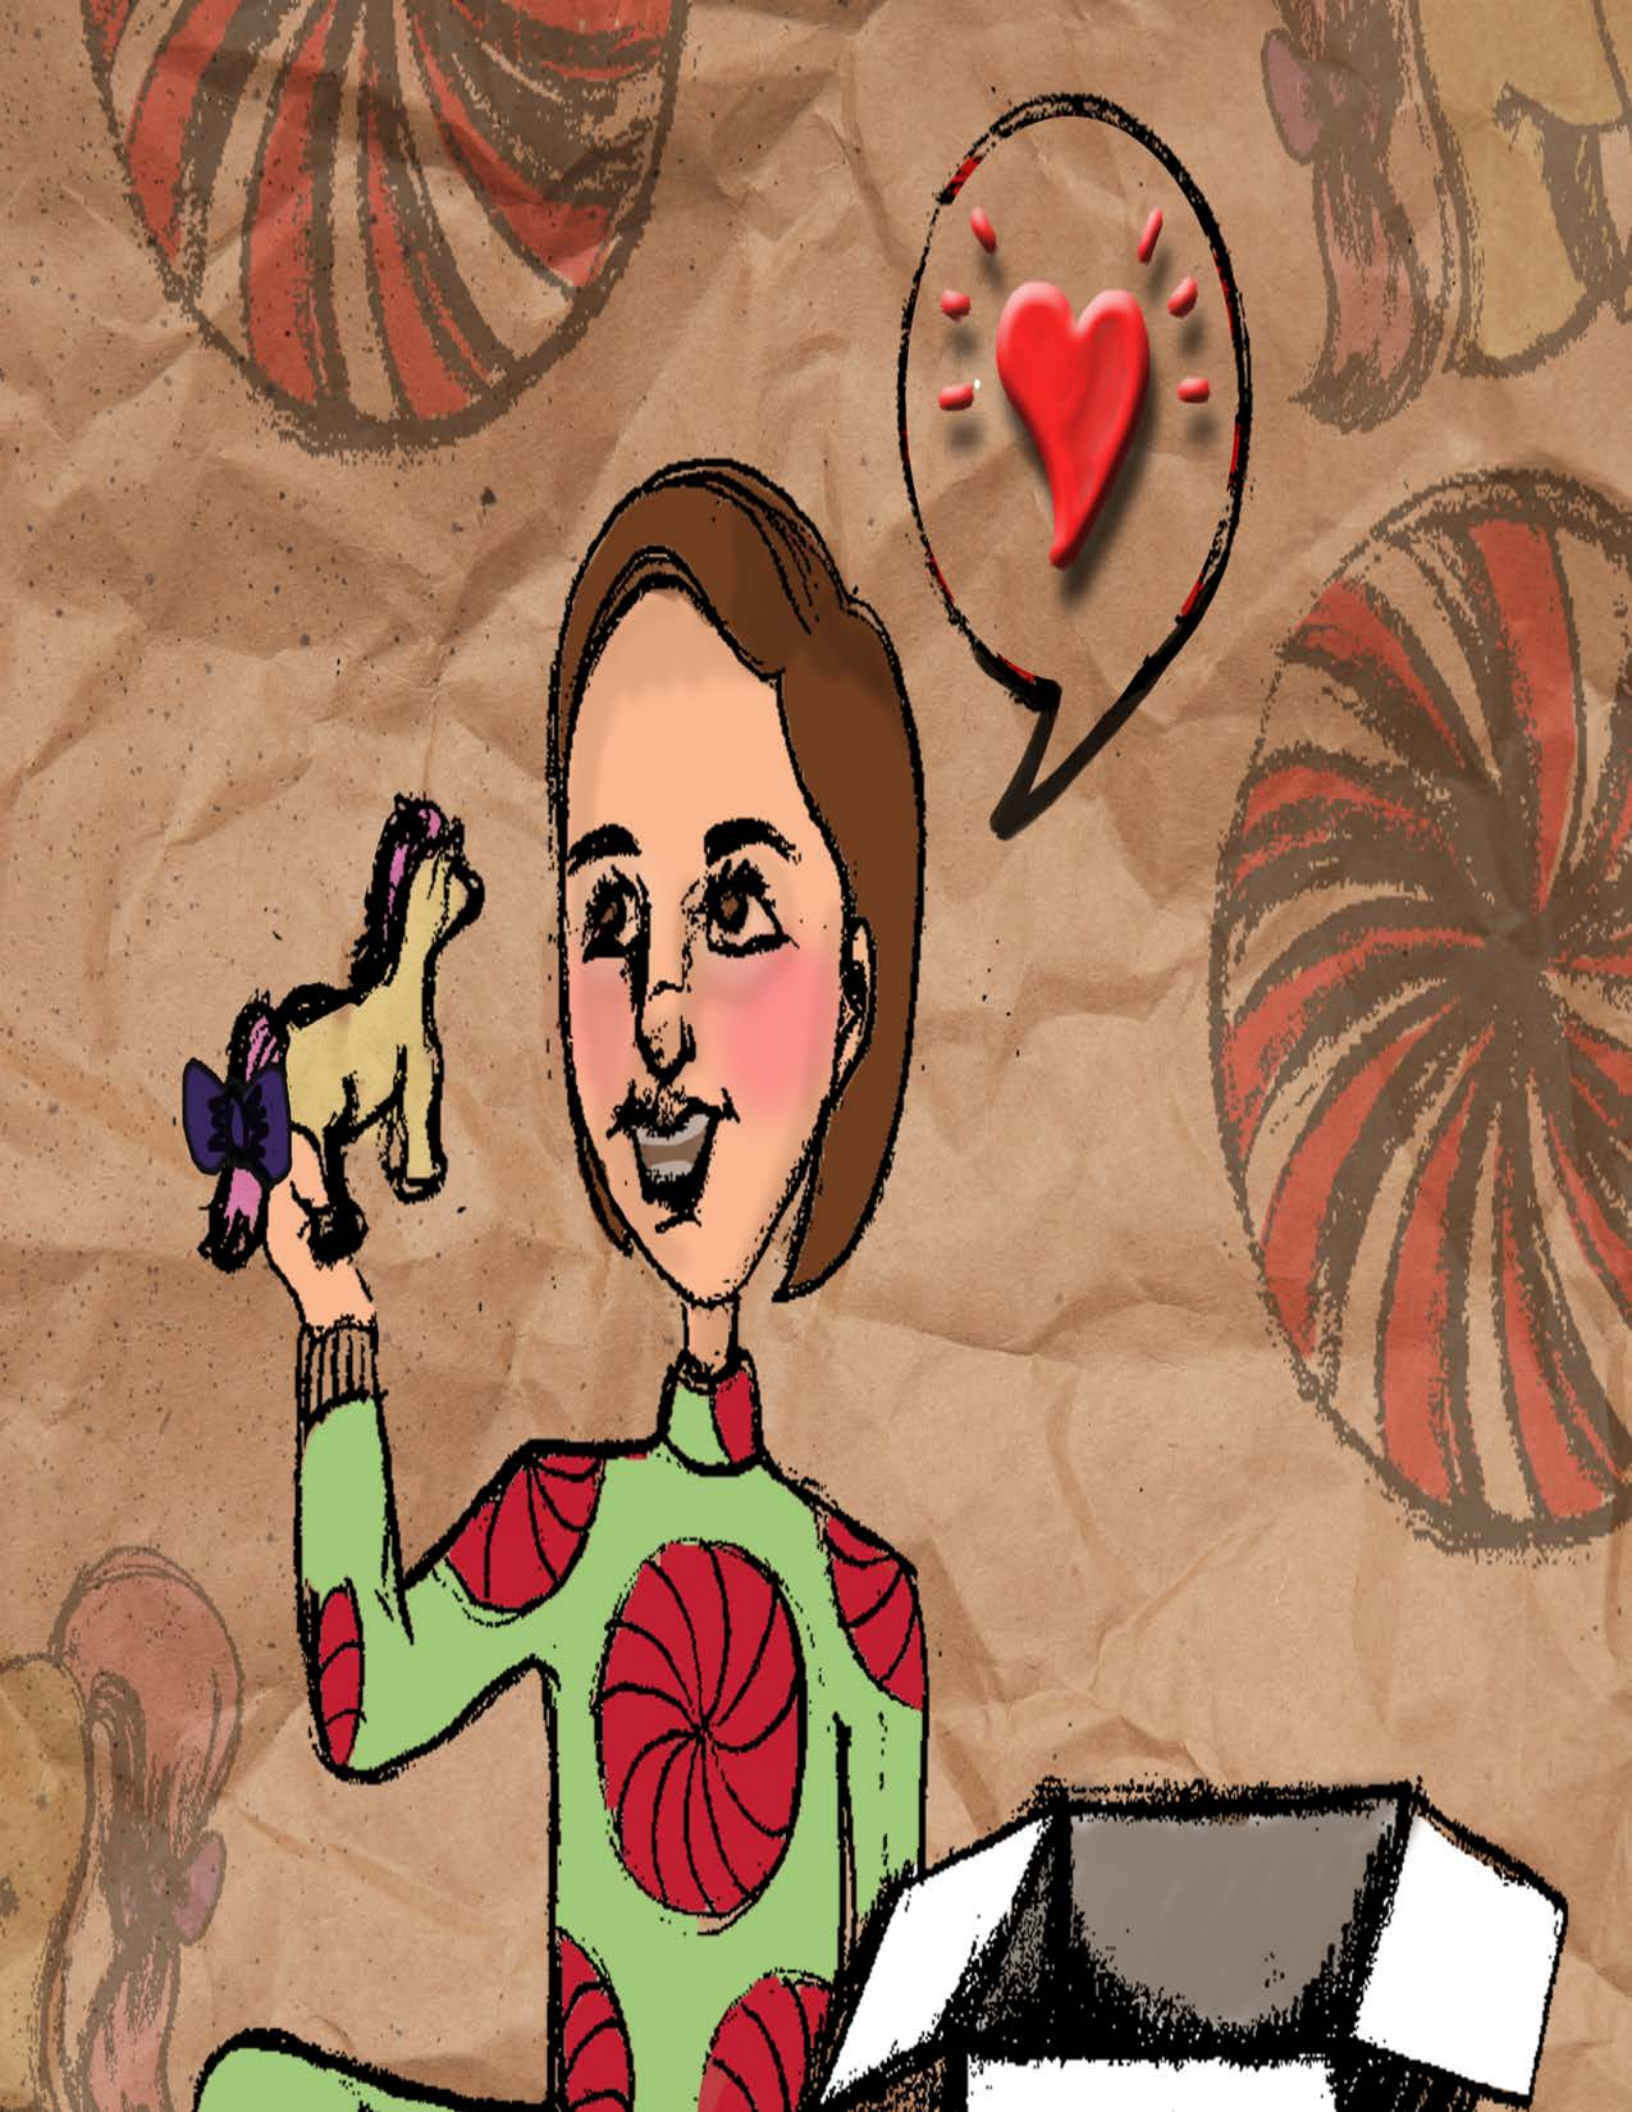

They still forgive
God and Santa.

ne time
I only got
one present...

and I liked it!

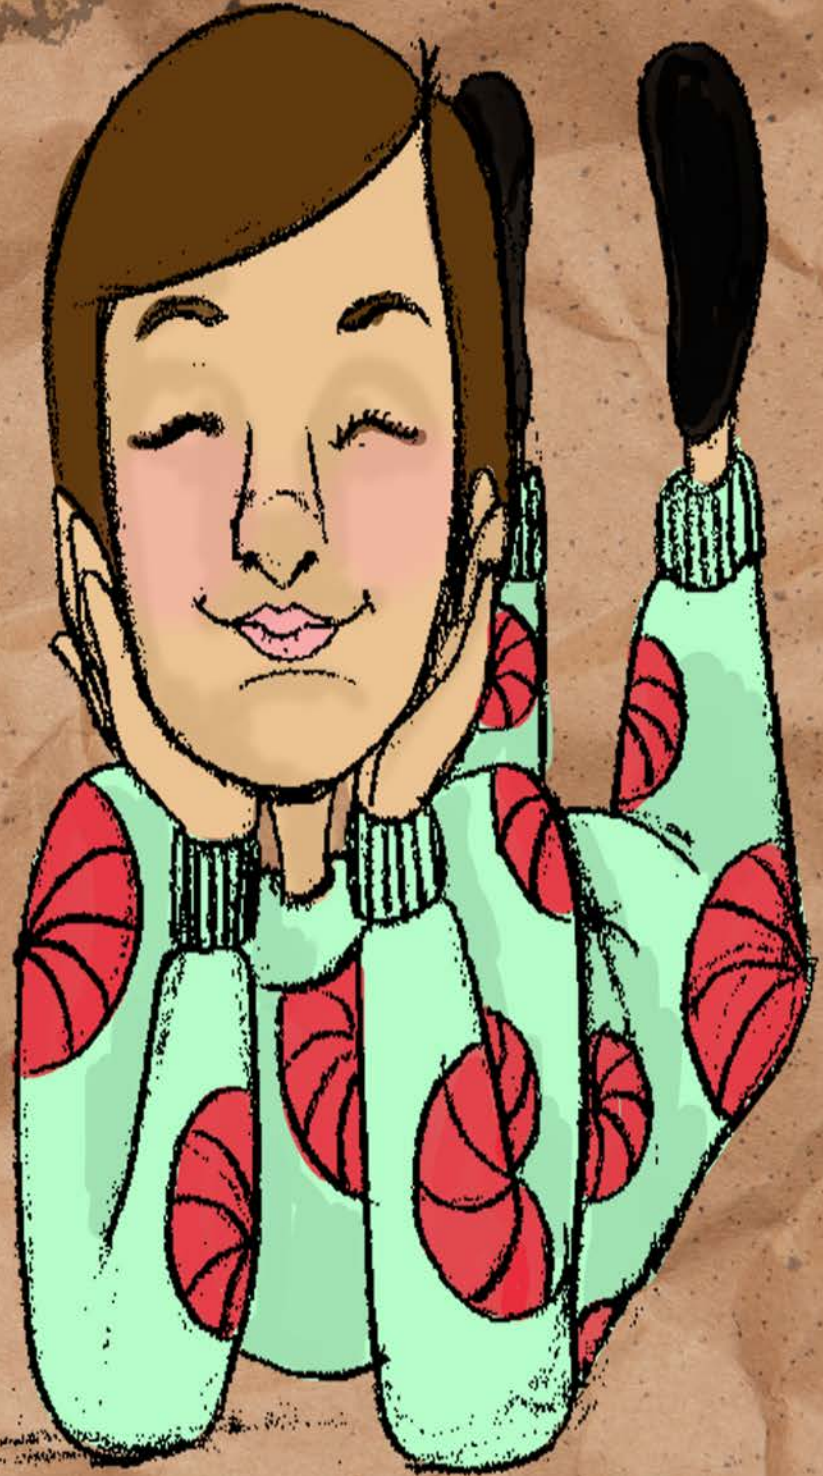

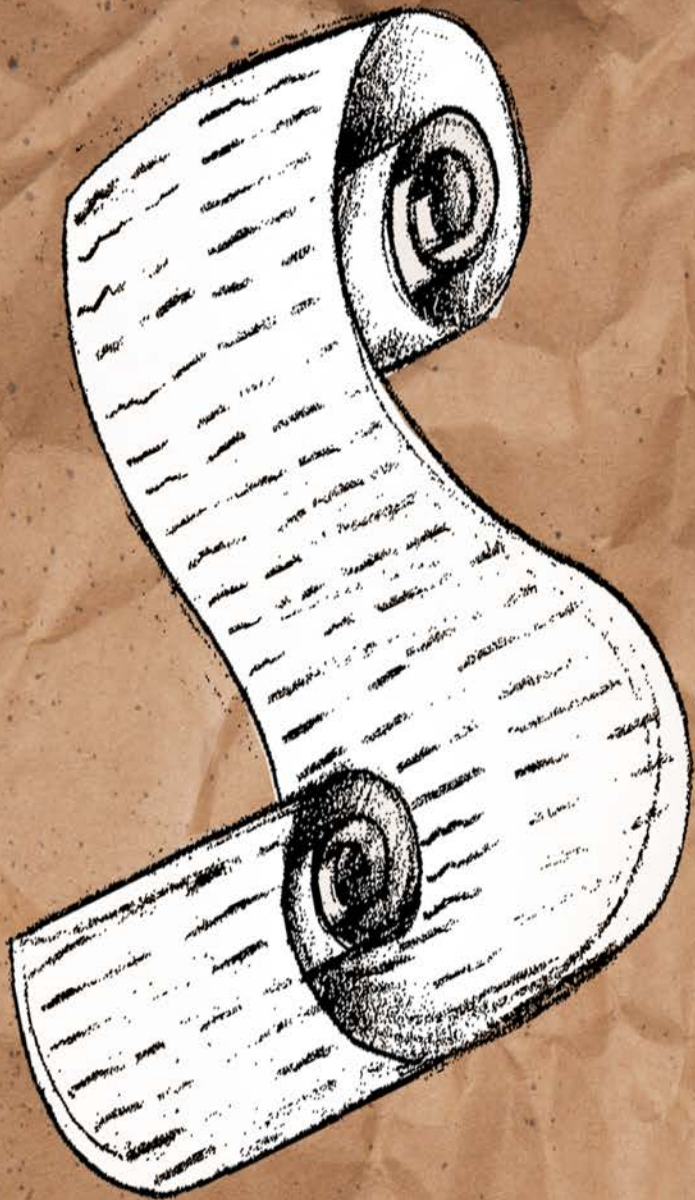

o I was so happy
I didn't get
any more presents.

Hmmmmmm!

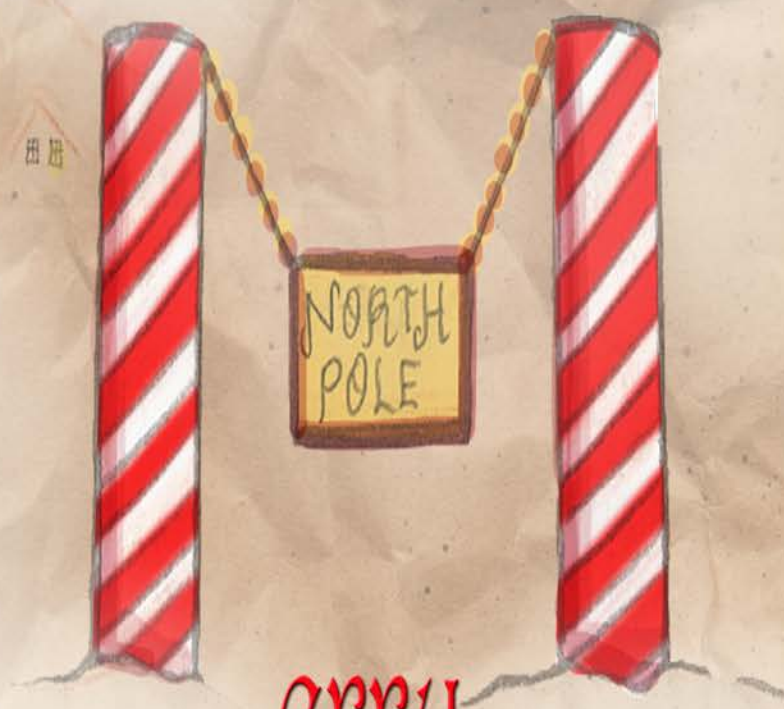

O...

you always forgive
what you get.

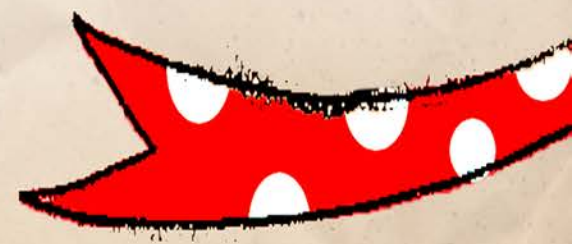

Dear Santa,
Thank you

erry

Christmas!
